

Special Weather Statement issued December 26 at 12:48AM EST by NWS Mount Holly NJ

Event : Special Weather Statement

Description : Patchy fog is forecast overnight in parts of southern New Jersey, Delaware and northeastern Maryland. Temperatures will be below freezing at most locations, with some localized freezing fog expected.

If you will be traveling overnight, be prepared for icy spots on area roadways, walkways and parking lots. Also, the visibility will be reduced to a quarter mile or less in spots.

Instruction :
